### **Presentations/Discussions:**

- Ms. Carla Stutts was not present.
- Mike Tolson joined us to talk about funding and projects around town, including lead service lines, a filter and generator project on 3 working wells. He also spoke about previous smoke tests, (which found 95 instances of smoke coming from the ground) and future ones. Him and Wilbur have committed to meeting every week or two, and invite any commissioners that would like to be involved, to discuss and have a better understanding of what needs to be done moving forward. He presented a resolution to be signed and the deadline for it would be November 1, 2023. Applying by that deadline, we would know if we qualified for the funds by mid-December. Commissioner Wheeler made the motion to apply for the lead service line project by November 1, 2023 and Commissioner Mercer seconded the motion. The motion passed unanimously.
- Mrs. Andrea presented estimates to have HVAC system (heat) to be repaired, from four (4) different companies. Commissioner Bridgers motioned to go with Express Heating and Cooling to fix the HVAC unit, Mercer seconded the motion. The motion passed unanimously.

### **Action Items:**

- Annexing Heritage Cemetery – The board for the cemetery would have to (in writing) request for the Town of Elm City to annex the property before anything further could be done. Dena offered to get an application, and suggested for Shawn Lucas to help with the process as well.
- Audit Process- There was a phone conference with Colleen Callahan (CPA) for an update. From Colleen's point of view, there is missing information. Dena believed that the process should have been no different than in the past years and the information should be up to date accurate. They will continue to work towards getting all of the information needed to move along and complete the task at hand.
- Adding Andrea Hinnant as a check signer – Commissioner Wheeler was concerned about someone who handles cash being a check signer and that we may be written up by our auditor by doing so. Mayor Pro Tem Atkinson made a motion to have Commissioner Wheeler added as

a check signer. Commissioner Bridgers & Commissioner Mercer seconded the motion. The motion passed unanimously.

- Melissa Younger- Read Shawn Lucas' zoning report.

She also asked, on behalf of Jason Osborne, if The Town would donate or set up a payment plan for a cemetery plot for his mother who was expected to pass away very soon. The commissioners decided against both options.

**Mayor & Commissioner's Reports:**

- Commissioner Mercer- Shared that he has some issues with things going on around town and plans to share those concerns with the Sherriff Department. He also asked to have the last four (4) invoices from Walston Electrical printed out so we could stay on top what is being paid out.
